

Super ball 2m green/red

Giant balls for a variety of purposes

Another regular part of a hexathlon (or other games event): super balls. It goes without saying they are included in the JB-Inflatables product range! These giant balls (standing an impressive 1.5 to 2 meters tall) are suitable for a variety of purposes. You can use them to roll with (for instance to knock over pins or roll it along a course with or without obstacles in a team), to play soccer with, or to climb on top of. You can stand on them and navigate them along a track. It all goes to show: these big balls are multi-purpose and are guaranteed to be a successful addition to your hexathlon equipment. So, be sure to show your customer these balls for kids' parties, teambuilding activities or either neighborhood or village parties!

Ready to use within a minute: roll away!

These Super Balls (available in a variety of colors) are ready to use in next to no time. It goes without saying JB supplies the complete package, so the balls come with a hand pump conveniently included to inflate them quickly. We also provide you with a transport bag, so they can effortlessly be moved from one place to another.

Premium quality with a 5-year warranty

All inflatable products by JB have several reinforced tension points and seams. These super-size balls are no exception and because they are made of thick (0.85 mm) PVC material, they are durable as well as easy to keep clean. In addition, we provide a 5-year warranty and a repair service for all products in our extensive collection.

Purchase these giant and cheerfully colored balls and give your customers an experience to remember!
