

Fall mat 2 meter blue

With an inflatable, you naturally want to ensure that no one gets hurt. Therefore, when using on hard surfaces, it is mandatory to use shock-absorbing mats. That is why you can buy certified foam crash mats at JB. The material is of high quality, and the fall cushions are equipped with velcro strips, making them easy to connect. These crash mats are available in 2 sizes and 4 colors.

Fall safely with a foam rubber mat from JB Inflatables

Of course, you want to do everything possible to prevent accidents around your inflatable. Buying a foam rubber crash mat is, therefore, a good idea. These fall breakers ensure that playing children or enthusiastic adults stay on a smooth, smooth surface. If children fall off an inflatable bounce house, they fall safely. The foam mats from JB Inflatables are available in blue and red. Do you order a fall cushion of 1 meter or 2 meters wide?

Buy a fall cushion with your inflatable attraction

When you buy a crash mat from JB Inflatables, it is good to know exactly how many professional foam cushions you need and how to place these crash mats. Click on the PDF file below to see how to put such a foam rubber mat at your bouncy castle. Do you buy one large foam cushion, or do you need several crash mats with your inflatable? Of course, the JB team is also ready to advise you.
