Go for quality and order the Disco Cube tent at JB

With the 1.1 KW blower, you can easily and quickly inflate the tent. Is the tent up? Discover the possibilities inside! At the top of the Cube, there are two plastic sleeves containing the fastenings and connections for items like disco balls and/or lighting. On the four D-rings in the ceiling, you can hang all kinds of lighting and decorations for the ultimate festive experience. Additionally, there is a separate compartment with space for a music box (40x40x60 cm). This Disco inflatable comes with disco lighting included.

The tent is reinforced at multiple points and stitched multiple times. It is made of strong and high-quality PVC, making it durable and easy to clean. It features a roll-up cloth, allowing you to easily close the tent. You can take the inflatable party tent with you wherever you go and set up the perfect inflatable party venue in no time!
