

Disco House Tent 3,5m

Note: This product is supplied without a soundbox. It can be ordered separately.

Unique party location with the JB inflatable tent

Choose a suitable party location, connect the blower, and inflate the Disco House Tent easily and quickly. By the way, have you already seen those fantastic and striking colors? The inflatable tent is suitable for everyone ready for a party. This model is easily portable, making it also very suitable for rental. Whether it's a birthday party, company event, or any other festivity, the Disco House tent is a party for everyone!

Fun and experience with an inflatable Disco House Tent

Connect light and sound? It can be done easily and quickly in our inflatable party tent. At the top of the Disco House Tent, there are two plastic sleeves with the attachment and connection for lighting and/or disco balls. You can hang all kinds of lighting and decorations on the four D-rings in the ceiling for the ultimate party experience. Also convenient: there is a separate compartment with space for a music box (40x40x60 cm). This Disco inflatable comes with disco lighting included.

Convenience serves humanity! This air cushion is easy and quick to inflate using a 1.1 kW blower. This tent is made of high-quality PVC, reinforced at multiple points, stitched multiple times, and made waterproof! This makes the Disco Tent durable and easy to maintain. So you can be sure to enjoy this inflatable for years.

JB Inflatables: International producer of inflatables

With a wide range of inflatable tents, Disco tents should certainly not be missing. JB Inflatables is a manufacturer of bounce houses and other inflatables. Our inflatable items are exported to more than 75 countries. We only work with the very best people and materials. And also for the best service, you are at the right address with us. Of course, you get a guarantee on an inflatable at JB. If something is wrong, we are here for you!
