

Disco House Tent 5,5m

Note: This product is supplied without a soundbox. It can be ordered separately.

Unique Party Venue with JB's Inflatable Tent

Choose a suitable party venue, connect the blower, and inflate the Disco House Tent easily and quickly. Have you already seen those amazing and eye-catching colors? The inflatable tent is suitable for anyone ready for a party. This model is easily movable, making it highly suitable for rental. Whether it's a birthday party, corporate event, or any other celebration, the Disco House tent is a party for everyone!

Fun and Experience with an Inflatable Disco House Tent

Connecting lights and sound? It can be done easily and quickly in our inflatable party tent. At the top of the Disco House Tent, there are two plastic sleeves containing the fixtures and connections for lighting and/or disco balls. On the four D-rings in the ceiling, you can hang all kinds of lighting and decorations for the ultimate party experience. Also convenient: there is a separate compartment with space for a music box (40x40x60 cm). This Disco inflatable comes with disco lighting included.

Convenience is key! This air cushion is easy and quick to inflate with a 1.1 KW blower. For this tent, high-quality PVC has been used, reinforced at multiple points, stitched multiple times, and it's also waterproof! This makes the Disco Tent durable and easy to maintain. You can be sure to enjoy this inflatable for many years.

JB Inflatables: International Manufacturer of Air Cushions

With a wide range of inflatable tents, Disco tents should not be missing, of course. JB Inflatables is a manufacturer of bounce houses and other inflatables. Our inflatable items are exported to more than 75 countries. We only work with the very best people and materials. And for the best service, you're in the right place with us. Of course, you get a warranty on an inflatable at JB. If something is wrong, we're here for you!
