

Disco Security 3,5m Bounce House

Note: This product is supplied without a soundbox. It can be ordered separately.

Order the Disco Security 3.5m Bounce House at JB Inflatables

A disco atmosphere greets you as soon as you look at the outside of the amazing Disco Security Bounce House. Two security guards watch over the entrance of the nightclub where you can jump and dance until the late hours. You also stay nice and warm and dry in the covered bounce house. The Disco Security tent with a bounce house floor is therefore usable in all seasons.

Easily Purchase a High-Quality Inflatable Security Bounce House Online

Fun is guaranteed as this disco inflatable has an inflatable base! Easily and quickly inflate the tent with the 1.1 kW blower. You can hang various types of lighting and decorations from the four D-rings in the ceiling for the ultimate party experience. Additionally, there are two plastic sleeves at the top of the tent with attachment points and connections for lighting and disco balls, for example. Moreover, there is a separate space for a music box (40x40x60 cm). This Disco inflatable comes with disco lighting included.

Made from high-quality and strong PVC, making the inflatable durable and easy to clean. The bounce house is reinforced at multiple points and stitched multiple times. Take this festive bounce house anywhere and create the perfect inflatable party location in no time!

International Manufacturer of Air Cushions in Every Size
