

IPS Solid Reaction Frame

Fast, faster, fastest with this IPS reaction game!

Sharpen your senses and test your reflexes in this lightning-fast IPS game! This compact, upright frame features multiple interactive spots that light up unexpectedly. Your task? Tap them off as quickly as possible! This version works with the IPS Smart Edition, the latest generation of interactive play system offering faster response time and wireless connectivity. A high-energy reaction game packed with fun and excitement!

Compact, powerful and ready for any event

This interactive attraction takes up little space but delivers maximum fun. The solid frame is easy to move and suitable for both indoor and outdoor use. To operate this attraction, the IPS Smart Edition system is required. It allows you to control the spots easily and track scores in one central place.

JB-Inflatables stands for quality and convenience

When you choose JB-Inflatables, you're choosing reliability, speed and top service. Our products are solidly built, user-friendly, and come with a 1-year warranty. You'll also benefit from fast delivery from our own stock and a dedicated team ready to support you. This interactive attraction adds instant fun and competition to any event!
